

Town of Newport

2017-2018 Fiscal Year Annual Wastewater System Performance Report

1. General Information
 - a. The Operator in Responsible Charge is Scotty G. Rollins. I may be reached at (252) 223-4418. Please contact me if you have any questions about this report or need further information.
 - b. Permit Numbers: The Town of Newport operates the wastewater treatment system under the following permits:
 - i. NPDES # NC0021555
 - ii. Land Application WQ # 0008349
 - iii. Collections System WQCS # 000177
 - c. The Town of Newport has a wastewater collection system that consists of about 19 miles of pipeline; nine lift stations; and a wastewater treatment plant. The wastewater treatment plant uses the Oxidation Ditch method of treatment. The treatment plant consistently meets our NPDES permit limits. The biosolids produced by the treatment process are recycled onto farmland as fertilizer under permit number WQ 0008349.
2. Performance
 - a. List of permit violations:

No permit violations in 2017.
3. Biosolids Disposal: There were no permit violations in our biosolids disposal program in 2017. We have permit farm site in Craven County.
4. Notification. This report has been made available to the citizens of the Town of Newport by the following means and methods:
 - a. Copies of this report are available at Town Hall, and will be posted on the bulletin board.
 - b. This report shall be placed on the Town of Newport Web Site.
 - c. There will be a notification placed in the Town's monthly newsletter: The Courtesy News of the availability of this report.
 - d. There will be a Notification in the local paper. (Carteret News Times)
5. Certification: I certify under penalty of law that this report is complete and accurate to the best of my knowledge. I further certify that this report has been made available to the users or customers of the Town of Newport and that those users have been notified of its availability.
